Education

National Institute of Technology, Jamshedpur *2024 – Present*
Master of Computer Applications (MCA) **CGPA: 8.35/10**

MLK PG College, Balrampur *2020 – 2023*
Bachelor of Computer Applications (BCA) **Percentage: 80.64%**

Projects

Job Portal Website
Next.js, TypeScript, Node.js, PostgreSQL, Kafka, Docker, Redis

- Developed a full-stack job portal using a microservices architecture with separate Auth, User, Job, Utils, and Payment services for recruiters and job seekers.
- Built RESTful APIs for job posting, application tracking, and company management using Node.js and PostgreSQL.
- Integrated AI-based features such as resume analysis and career guidance using external AI APIs.
- Implemented asynchronous processing using Kafka for email notifications and background tasks.
- Optimized job search with dynamic filtering (title, location) and efficient SQL queries.
- Containerized the application using Docker for scalable deployment.

Hotel Booking Web Application
MERN Stack, JWT, RESTful APIs, GROQ AI, Speech Recognition, Speech Synthesis

- Developed a full-stack Hotel booking platform using the MERN stack.
- Implemented secure authentication and authorization using JWT-based access control.
- Designed and built hotel listing, search, filtering, and booking management modules.
- Integrated AI-powered smart search using the **GROQ API** to convert natural language queries into structured filters.
- Enabled voice-based interaction using Windows Speech Recognition for search and commands.
- Implemented Speech Synthesis for audio responses and booking confirmations.
- Deployed frontend and backend services on **Render**.

Skills

- **Programming Languages:** C, C++, Python, Java, JavaScript, TypeScript, SQL
- **Frontend:** React.js, Next.js, HTML, CSS, Tailwind CSS, Responsive Web Design
- **Backend:** Node.js, Express.js, RESTful APIs, JWT Authentication, Microservices
- **Databases:** PostgreSQL, MySQL, MongoDB, Redis
- **Cloud & DevOps:** Docker, Cloudinary, Apache Kafka
- **Core CS Subjects:** Data Structures, OOP, DBMS, Computer Networks, Operating Systems
- **Tools:** Git, GitHub, VS Code, Postman

Achievements

- **NIMCET 2024:** Secured All India Rank 458.
- **Competitive Coding:** Solved 500+ problems across platforms.
- **LeetCode:** Achieved a maximum contest rating of 1692.
- **HackerRank:** 5-star rating in SQL, C++, and Problem Solving.

Positions of Responsibility

- **Volunteer Tutor** Sankalp
  Taught **Mathematics** to students up to **Class 12**, focusing on conceptual understanding.
- **Event Management Member** NSS Society
  Assisted in planning and executing social outreach programs and events.
- **CA Team Member** SCSE
  Supported the organization of technical events, workshops, and coding activities.
